Beer type

Saison

Taste experience

Sweet

Sour

Bitter

Description

Morpheus Saison is a thirst-quenching Belgian Saison, brewed with our signature Morpheus yeast and 15% oats flakes. The beer is bitter and less dry than a typical saison

Additional context

Saison was traditionally brewed in the Hainaut area (our brewery is only a couple of km's from the region) for local farm workers. Originally, the Saison style beers had probably a light sour touch.
